

Finish Carpentry &  
Custom Built Furniture

D&G

Custom Woodworking  
LLC

Owners:  
Diana & George Sparks

## Building dreams

Shortly after relocating to Sedona, AZ in June 2009, Diana and George Sparks fulfilled their dream of owning a custom woodworking business. They longed to live in Sedona since their first visit in 1997, and as avid hikers and mountain bikers, Sedona is the perfect place for them to live and work.

Carpentry is part of George's heritage. When he was just barely able to hold a hammer he began working with his father, a life-long carpenter. He assisted with projects of all sizes from wood trim installation to room additions.

There is no carpentry project George cannot conquer and his passion has always been high-end finish carpentry and custom woodworking. Some prestigious Florida projects include:

- The Castle Hotel – Orlando, FL
- Embassy Suites – Lake Buena Vista, FL
- 2000 Williams Island – Coral Gables, FL
- Numerous Class A office buildings – central and southern Florida

Diana has honed her woodworking skills over the past 28 years by assisting George on numerous projects. Projects include:

- Cabinets
- Storage units
- Fireplace surrounds
- Picture frames
- Entertainment centers
- Jewelry boxes

Just as we made our dream come true, we can make your dream come true. Bring us your woodworking idea and we will make it a reality. There is no job too large or too small.
